Sign up today to discover what happens in

**May 23rd 4pm**

**Ewww...that Science is Gross!**  
60 minutes / 15 children / Ages 4-12

Discover the science behind things that make you go...ewww!  
Make “snot” and sneeze it while exploring viscosity,  
identify various animals from their scat (i.e. poop) and learn  
about digestion while producing a burp in a bag.  
Join us on a gross but fun-filled science adventure!
