How to Search

Search Icon

Tap this icon to search for a title

1

If you know the title or the author of the book you would like enter it in the search bar.

A list of results matching your search words will appear.

This example has 31 E-books and 6 audiobooks.

Audiobook titles have the earbud icon below them

2 You can either scroll through the results or refine your options

3 Clicking on a title shows more information about it.

4 Once you find a title you want- if it is available click BORROW. If there is a wait list you will only have the PLACE HOLD option.
