COMIC'S CORNER

You have two parts of the brain, "left" and "right" – in the left side, there's nothing right and in the right side, there's nothing left.

Do I lose when the police officer says papers and I say scissors?

Lazy is a very strong word. I like to call it "selective participation".

My friends tell me that cooking is easy, but it's not easier than not cooking.

Do you have a joke that you would like to share? Send it to milvertonouteach@knollcrestlodge.com to have it featured in Shoppportunities.
