How to use Tags

Tags are a flexible way to organize books in Libby.

Tags

You can use tags to make lists of books including:

- What you want to read
- What you have already read
- Favorites
- Topics
- And more!

You can find tags you have created under your shelf

Create a Tag

1. Find an item you want to tag
2. Click TAG
3. Click NEW TAG
4. Name your Tag
 - You can add a description or use emojis in your tag name
5. Click DONE

Now when you choose the TAG option you will see a list of all your tags.

You can create as many tags as you would like. Item can also have multiple tags
