Tap this icon to see your history of all your checkouts, holds and returns.

The TIMELINE shows all your account activity from your first Libby Log on. This includes:

- Hold placed
- Items checked out
- Item returned
- Items you have tagged

Clicking on the LOANS, HOLDS or RETURNS tab at the top of the screen will give you the timeline record for those events.

	Cibola Burn James S. A. Corey On your holds shelf. Placed on hold.		25 NOV
	Don't Keep Your Day Job		

For example LOANS will show a record of all items you have checked out.

Although this will provide you with a record of books you have borrowed consider creating a BORROWED tag that you can use to mark all items you read. This will create a more user friendly borrowing history record.

Please note: Libby only keeps a record of your digital check outs and is not able to track any items you borrow from the physical library collection.
